ANNUAL REPORT 2019-20

In the name of God, the Most Gracious and the Most Merciful

Introduction

Sullamussalam Arabic College has completed 75 years of Academic Excellence spreading quality education and making a remarkable contribution in the field of Education as one of the most sought-after Arabic colleges in the Malabar region of Kerala.

Established in 1944, The College is a pioneer government-aided Arabic College, affiliated to the University of Calicut, approved by the University Grants Commission (UGC). It was originally affiliated to the University of Madras in 1955. Following the formation of united Kerala in 1957, the University of Kerala granted permanent affiliation to the College and has been under the University of Calicut since its inception in 1968. The college has been included in the 2(f) and 12(B) categories of UGC since 2010. And it has been comprehended as an Institution with minority status by the National Commission for Minority Educational Institutions, Government of India

Vision

Nurturing the young by imparting to them high-quality education, leadership skills and ethical values which together enable them for harmonious existence in society.

Mission

Provide value-based quality education and inculcate in the students' community the ability to utilize maximum potential to meet challenges of new era by inspiring them to continue the process of learning throughout their life. Make the students' community committed to the greater common good. Provide quality educational programs that integrate academic and cultural studies along with Arabic Language and Literature. Empower the students to seek and succeed in the entire life. Promote excellent personal manners, high civic values, and strong leadership skills. Prepare students to become good citizens and contributing members of society. Guide students to develop life skills and interests.

REPORT

With immense pleasure and pride, I would like to attach herewith the annual report of remarkable achievements and steady progress made by the College in the academic year of 2019-20

This institution offers a total of five programs including a post graduate one. With the upgrading of the Arabic PG Department into a Research Department in May 2019 duly sanctioned by the University of Calicut (U.O. number 13882/2019/admin, our student strength increased to 425.

Due to Covid-19 pandemic, being a responsible educational institution, we are entitled to oblige to follow the directions of central and state governments, which in turn forced us to cut short several programmes we have vehemently envisaged.

- **Programmes for Advanced Learners and Slow Learners**

The institution has set a screening process to ascertain the learning levels of the students and organises special programmes for advanced learners as well as slow learners.

In every academic year once the admission process is over, the competencies and caliber of the newly admitted students are regularly evaluated through department level specific programmes. At the end of the bridge course a multiple choice type examination is conducted by the respective departments which assess multi-level cognitive ability of the students. The students who score below 40 percentage marks are identified as slow learners and the students who score above 70 percentage are identified as advanced learners.

Besides, an orientation programme is conducted for the freshers under the IQAC to conscientize about the college, academic and co-curricular activities and detailed programme outcome along with description of the vision and mission of the institution.

Since this institution gives high priority to the attainment of the multi-level outcome we always encourage our students to enroll and share the platforms of NSS, Green Club, Students Initiative Palliative (SIP), Compulsory Social Service (CSS) programmes etc. apart from the active programmes of the arts and games conduct by the Students' Union. The college has well trained teams for athletics and games like football, cricket and badminton etc.

- **Special Programmes for the Slow Learners:**
