

Annual Report 2022-23

Department of Arabic

Sullamussalam Arabic College Areekode

The Annual Report of the Department of Arabic for the academic year 2022-23 provides an overview of the initiatives, activities, and achievements aimed at fostering academic excellence and holistic development among students. Throughout the year, the department focused on enhancing the educational experience by offering various programs and workshops that catered to the diverse needs of students. Additionally, the department prioritized academic assessments and encouraged participation in extracurricular activities, contributing to a vibrant learning environment. This report highlights the department's commitment to nurturing talent and promoting success, as reflected in the impressive progression rate of our students.

one-week bridge course

From September 26 to 30, 2022, the Department of Arabic organized a one-week bridge course for first-semester undergraduate students, inviting research scholars Mr Nasrudheen PP, Mr Abdulwahab K, and Mr Muhammed Nisar P to lead the sessions. The course aimed to support students' transition into the Arabic program by introducing foundational topics, study techniques, and research methods essential for their studies. The scholars provided valuable insights and guidance, helping students build a strong academic foundation and feel prepared as they embarked on their undergraduate journey.

Workshop

On October 12, 2022, the Arabic Club, in collaboration with the Research Department, conducted a workshop for Kerala PSC aspirants titled "How to Crack LPSA." The session offered strategic guidance, practical tips, and key resources to help participants prepare effectively for the Lower Primary School Assistant (LPSA) exam. Expert speakers provided insights on exam patterns, time management, and essential topics, helping aspirants gain confidence and focus in their preparation. The workshop aimed to empower candidates with the skills and knowledge needed to succeed in the competitive PSC exam.

On October 20, 2022, the Department of Arabic held a workshop titled "Literary Genres: Characteristics and Features," led by Dr. Muhammed Sharif K and coordinated by Dr. Mohsin MV. The session explored the unique elements of various literary genres, enriching participants' understanding of Arabic literature's diversity and evolution.
